

Tumbling Tykes at The Flip Zone!!!

2017-2018

THE PLAY ALTERNATIVE YOU'VE BEEN SEEKING

Tumbling Tykes offers you and your child a unique educational play-and-exercise program designed to build confidence, promote physical well-being, enhance social skills and support meaningful child to child interaction... all in a creative, fun-filled, indoor environment

PLAY WITH A PURPOSE

Knowing that play is perhaps one of the most important factors that influences a child's intellectual, physical and social development, the Tumbling Tykes program was created in response to the growing demand for alternative play - play with a purpose! At Tumbling Tykes, we concentrate on the physical aspects of play while incorporating music, creative movement and your child's own imagination.

GOALS OF THE PROGRAM

The Tumbling Tykes program is carefully structured and designed to be responsive, creative and FUN! Our primary goal is to provide a safe, indoor-play environment where your child can socialize, cooperate with other children and feel good about him/herself.

Tumbling Tykes is designed for students ages 18mo to 3 yrs (by Dec 2017). This program is designed to get students ready for the Shooting Stars Preschool program the following school year. The tuition is as follows:
